Headcounts

As our student matinee performances are very popular and often have lengthy waiting lists, we ask for your cooperation to finalize headcounts with enough notice to re-sell any unused tickets to other student groups.
- An estimate headcount will be taken with your reservation. This estimate will include all students and adults in attendance.
- Adjustments may be made to your headcount up until 2 months (60 days) prior to your performance date, at which point all headcounts must be confirmed. Your final balance will be adjusted accordingly.
- Within 2 months of your performance date, headcount adjustments are limited to 10 tickets or under.
- Tickets may only be added to an order pending availability on the performance date.
- If a group wishes to add tickets to a sold-out performance, these tickets may be subject to Standing Room Only, pending availability.
